

Butterfly Template

Create a beautiful butterfly in memory of a baby and Sands will display it proudly at the Walk to Remember at New Farm Park, October 15th.

Simply print out the template and decorate however you wish, adding a special message on the other side. We do recommend you print on card stock or use the template to cut out a butterfly shape on cardboard.

Post your butterfly to: WTR Butterfly,
 C/O Sands Queensland
 PO Box 934,
 New Farm, 4005

Please note, butterflies can not be returned to you.
